BATTI and SFSU permit a variety of options in meeting the early field experience requirement. Below, please indicate which option you have met for this requirement and attach the documentation (at least one letter of recommendation) to verify completion. Your experience should be in a classroom with a population that is at least 1/3 English language learners.

_____ 1. Completion of 45 clock hours working with students in a multiple subject classroom as a volunteer in a regular education classroom with a credentialed teacher, with a population that is at least 1/3 English language learners. The classroom teacher would verify this.

_____ 2. Completion of 45 clock hours as a classroom teacher or substitute in a multiple subject classroom with an emergency credential in a public school, with a population that is at least 1/3 English language learners.

_____ 3. Completion of 45 hours paid experience as a teacher aide or teacher assistant in a multiple subject classroom the majority of which time has been direct or indirect contact with students, with a population that is at least 1/3 English language learners. This may be verified by the teacher to whom the aide or assistant is assigned or by a site administrator or a district administrator.

_____ 4. Successful completion of any course or courses which have a field experience in which you worked with children in grades K-5, with a population that is at least 1/3 English language learners. Please note course(s) and include a copy of transcript for verification.
